# We Are !

...Launch Istanbul and we are here to make life and business more enjoyable for you.

Launch Istanbul is home to some truly dynamic and resourceful people. We have come together from a variety of fields and backgrounds, to create an all-inclusive, full-service company for our customers at home and abroad.

Our customers are advised and guided by a team of professionals with an in-depth understanding of their requirements. We are well equipped to meet all our customers' requirements.

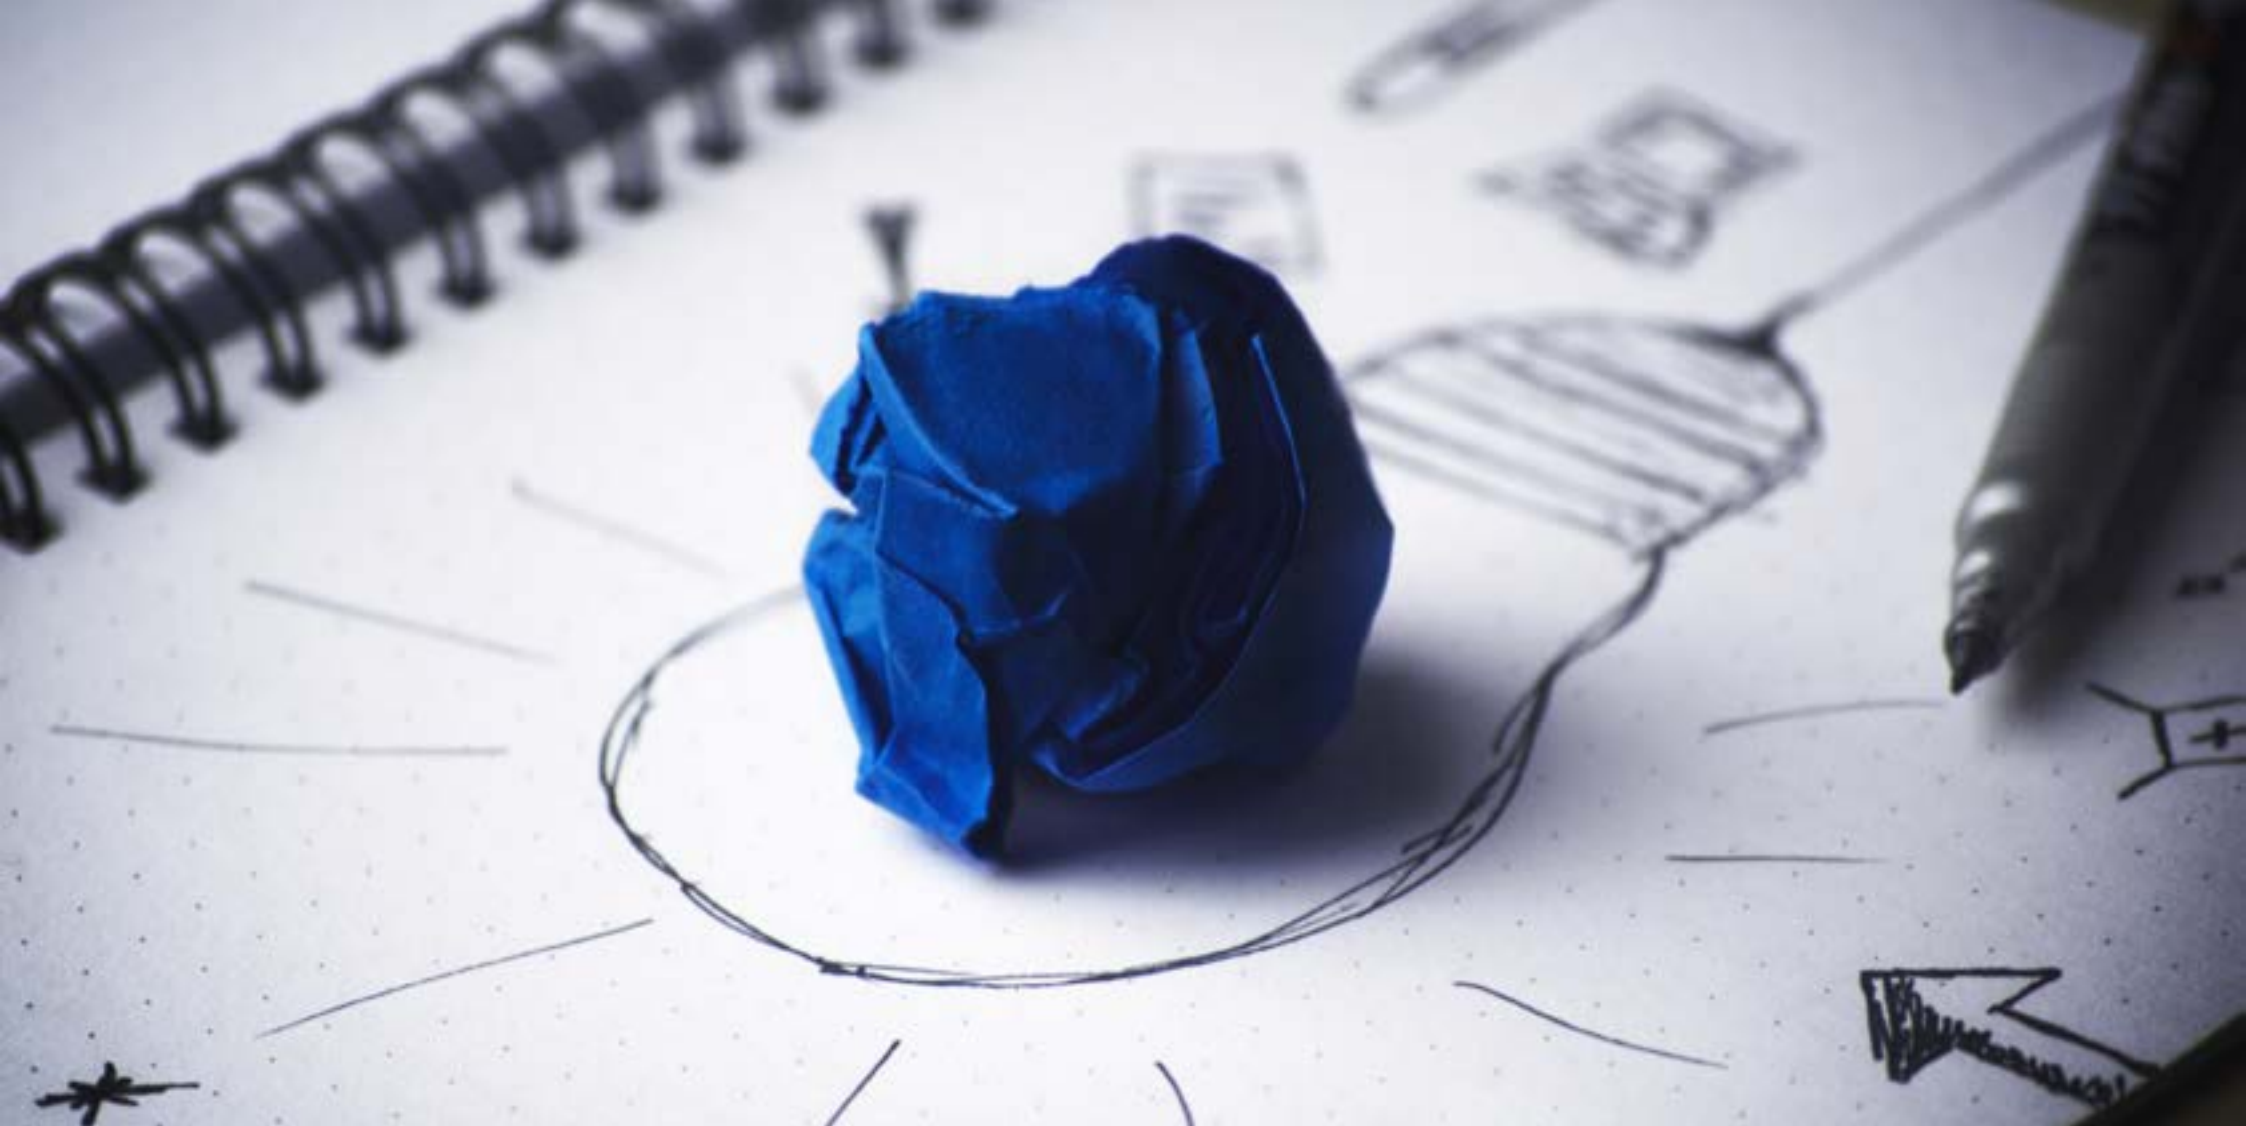

# What do we do ?

We make sure that our clients get quick, dependable and outstanding services to make their experiences in the region more profitable. We take pride in finding solutions to our client's issues, no matter how big or small.

With our wide connections, we give **Unrestricted Bargain Power** to our customers that helps them set up for less. With bigger discounts and faster services we help them find the absolute best both in value and price. We understand Turkish customs, traditions and culture. We are well-acquainted with the local companies which helps our clients to carry out more lucrative business deals with ease. We let our clients **Benefit from Our Experience and Connections**. We are aware of European and Pan-American ways of doing business and realize the charms of entering the uncharted waters of Turkey and we are here to make the transition easier by being the **Bridge to Turkish Markets**.
